OPAL Project.

Reps discussed what other things they would like to have at break and lunchtimes.

- Den building materials, such as rope, tarpaulins and palettes.
- Some sort of outside seating for the grass and yard, (could this be made by the pupils).
- More basket and footballs.
- Bikes to be available for a lunchtime for both sittings, this could be by year or class on rotation.
- Some sort of soft play equipment that could be kept outside.
- Could the Eco classroom be made available for year 9 pupils on the first sitting.

There was also a requested that salt and pepper was provided at lunchtimes, in either pots or sachets.

Charity.

Reps would like an inter house sports competition to raise money for Sports Relief, as well as a non uniform day.

iPads.

Students are concerned with the current issues.

- Covers make it hard to use them.
- Their are issues with internet connections.
- Emails are not set up.
- Primary apps are on secondary iPads, taking up room.
- Login pop up, students continually have to cancel them.
- Length of repair time.

Could Youtube be re opened?

A.O.B.

Reps asked when the next non uniform day was and what was the theme?
