

Parent Conversations 2020

I would like to say a massive thank you to everyone who engaged with our parental conversation this term. We held 97% of our conversations.

The graph below shows the % of parental engagement over the last couple of years.

Thank you to everyone who completed our parental feedback. We have been overwhelmed by the positive response and are so pleased to hear that your child is enjoying school, making progress and you are pleased with the start back to school.

The feedback received has raised a couple of points;

- If you are unaware of what your child will be learning through the academic year the information can be found on our school website under 'Learning'. This is where you will also be able to find your classes' medium-term plans for each term in 'Curriculum Planning'. These are also sent out via Class Dojo each term.
- If you are unaware of the interventions your child is receiving please speak to your class teacher in the first instance. If you require more information with regards to interventions then please contact Mr T Langton or Mrs K Hanna.

Finally, we are really pleased with the positive response we have had in relation to Covid-19 and the work we are doing within this area. We recognise that home school learning may have been a varied experience during lockdown. It has been a learning curve for us too, however we are now in a better position to support you and your child if there is a need for classes to isolate in the future.

If you have any more questions following these parent conversations please do not hesitate to get in contact with a member of the class team.
